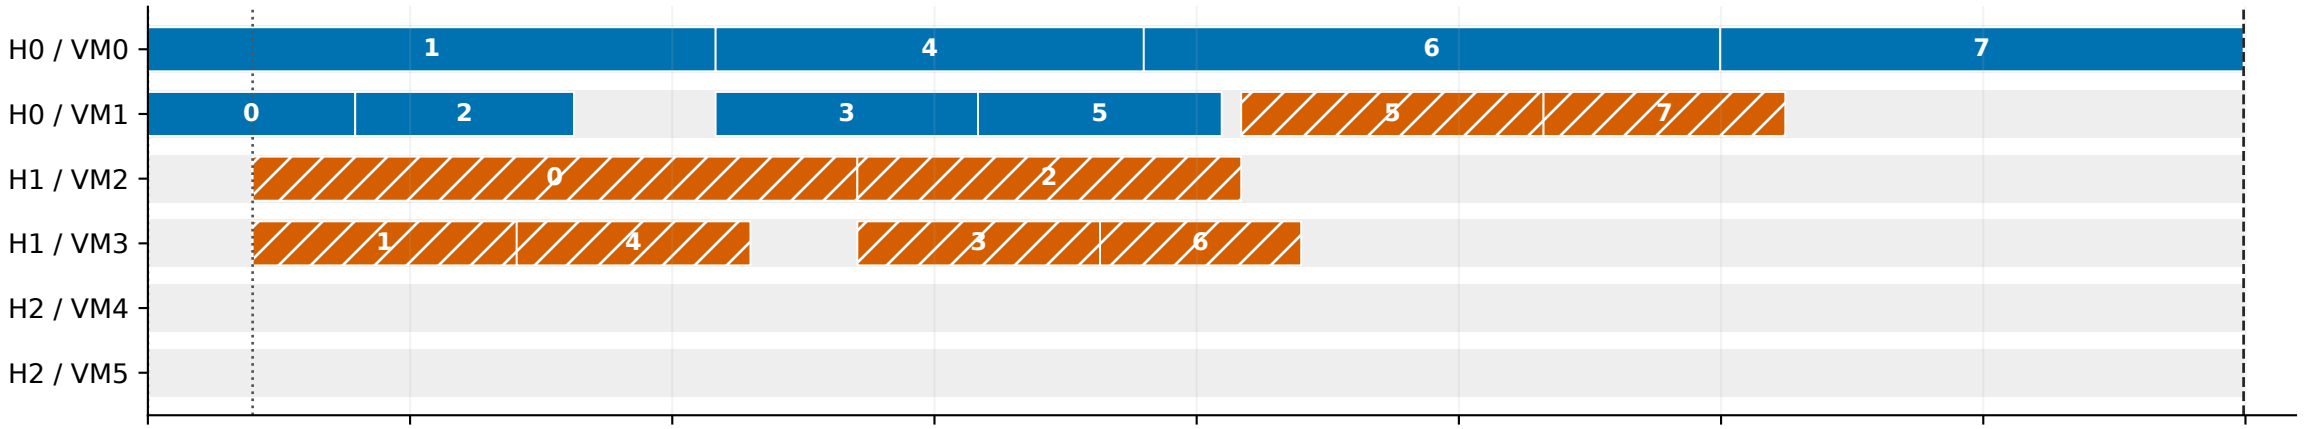
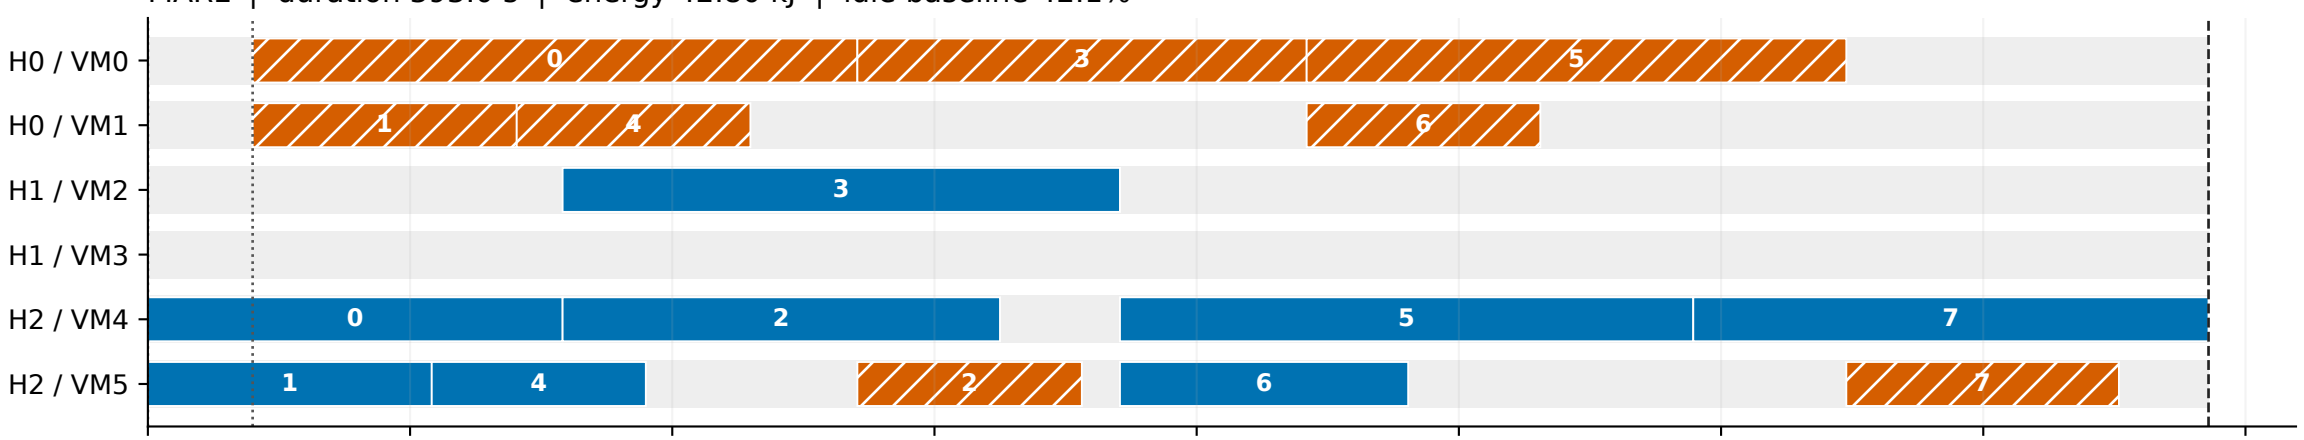
Same small instance, four scheduling algorithms
20 training episodes, small networks; illustrative run, not a performance benchmark

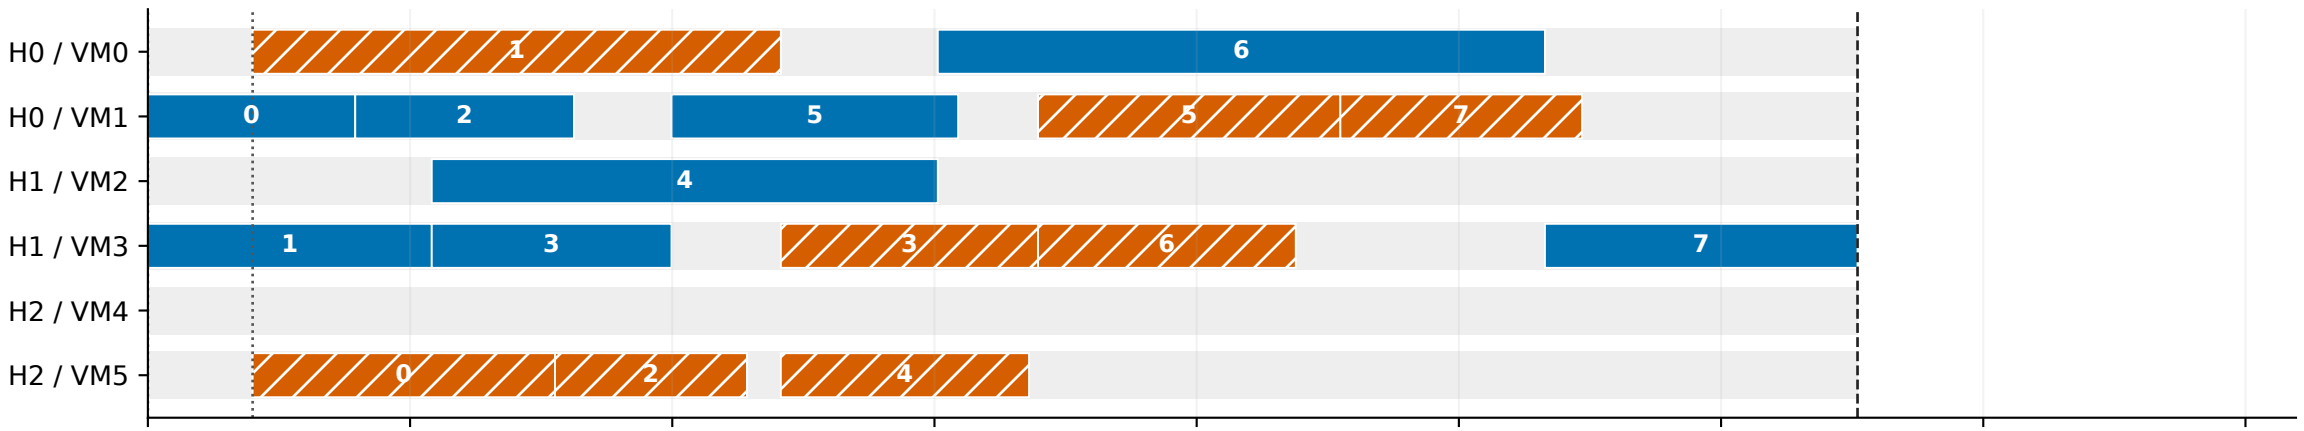
MAHDRL | duration 399.6 s | energy 35.34 kJ | idle baseline 51.8%

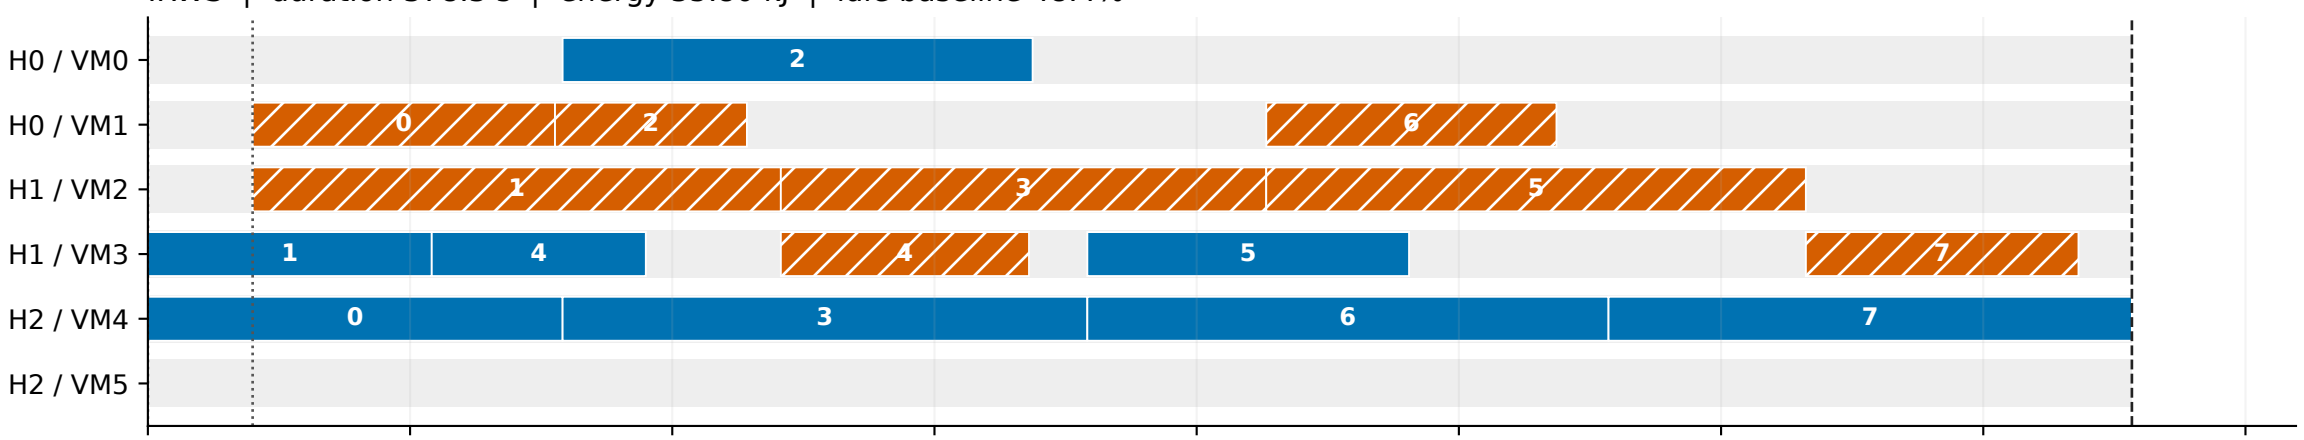


MARL | duration 393.0 s | energy 42.80 kJ | idle baseline 42.1%



PD3QN | duration 326.0 s | energy 33.16 kJ | idle baseline 45.0%





IRWS | duration 378.3 s | energy 35.80 kJ | idle baseline 48.4%
